NEWSLETTER

The 1997 annual meeting of the EVTA Councillors was held in Zurich on November 1 organized by APCS, holders of the EVTA presidency. The delegates from England, Finland, France, Germany and Holland also took the opportunity to attend the General Meeting of APCS held earlier in the day.

There was a warm and friendly ambience throughout the EVTA council meeting. The interesting discussions continued even during the dinner hour following the meeting.

The main themes of the meeting were the participation of students at the national organizations, some changes in the constitution of EVTA and the possibility of a future European Journal of Singing. The idea of an exchange of students to develop language skills or the exchange of teachers was also discussed.
